The Finer Details:

- **Displayed pricing is inclusive of GST and is current as at February 2025** and is subject to change. Quoted pricing is secured at time of a confirmed booking. 'Per Guest' pricing is based on any guest (adult or youth) who will consume either alcoholic or non-alcoholic beverages being offered over the bar. The maximum number of anticipated guests must be accurately advised and confirmed 28 days prior to the event, and may be subject to verification (head count) on the day.
- Included cocktail selection is available on our Signature Seasonal Menu as published on our [website](#). We are happy to accommodate other requests where possible. A small surcharge may apply for off-menu / out-of-season fresh produce. All ingredients are subject to availability & seasonal severe weather events, natural disasters, pandemics and industrial action may impact availability. We will always attempt to find a suitable alternative.
- If table-placed glassware is required please contact us in advance to discuss your requirements. Glassware breakages happen at nearly every event & we just see it as a sign of a great night had by all - so don't feel embarrassed! We use an automated invoicing system that charges for glassware breakages / losses via email after the event which are variable by glass type (\$3.00-\$9.00 at time of publication). The advertised package excludes single-use cups (NB: only paper-based bio-cups are available under Stage 2 of the Western Australian single use plastics ban).

Easy access to potable water is required for the replenishment of fillable water bottles or on-bar water station. If this is not available please contact us to discuss your event needs.

Short shelf-lives for kegs only enable ordering a maximum of 2 months out.
